**IMPORTANT NOTE:** Federal tax laws require industry trade associations to annually inform its members and contributors of the percentage of the association's budget that is attributable to lobbying (defined as the attempt to influence legislative or administrative action). Under federal tax laws, expenses incurred for direct lobbying are not tax deductible. CPSA has determined that 40% of CPSA's budget for the 2015/2016 fiscal year is directly attributable to lobbying. As such, 40% of your membership dues or the amount you or your company has or will contribute to CPSA is not deductible. The remaining 60% of membership dues or contributions are tax deductible as a business expense as allowed by law.
